One more day

Oh, Rock and roll me over

One more day

Oh, have you heard the news, me Johnny

One more day

Were homeward bound tomorrow

One more day

ch

Don't you hear the old man growling

One more day

Don't you hear the pilot bawling

One more day

ch

Only one more day a-howling

One more day

Cant you hear the gals a-calling

One more day

ch

Oh heave and sight the anchor Johnny

One more day

And your pay-days nearly due, Johnny

One more day

ch

Then put out your long-tail blue, Johnny

One more day

Make your port and take your pay, Johnny

One more day

Oh, were homeward bound today Johnny

One more day

Oh leave her where she lies Johnny

One more day

Only one more day a- working Johnny

One more day

Only one more day together
