

TILBURY TOWN / ROLLING DOWN THE RIVER

Rolling up, rolling down
We all get drunk in Tilbury town
Twenty-four hours to turn around
To go **rolling down the river**

Rolling up, rolling down
We all get drunk in Tilbury town
Twenty-four hours to turn around
And go rolling down the river

When I first saw a TEU
Rolling up, rolling down
I wondered where they stowed the crew
To go **rolling down the river**

Ch

Cargo comes in TEU's
Rolling up, rolling down
A twenty-foot box, boys, filled with booze
To go **rolling down the river**

Ch

There's a Tilbury girl called Kettle Jane
Rolling up, rolling down
First on the boil then off again
She goes **rolling down the river**

Ch

She's got a mate called 'Teapot Anne'
Rolling up, rolling down
She gets well brewed, she likes a man
She goes **rolling down the river**

Ch

Those Tilbury girls go 'round in pairs
Rolling up, rolling down
You'll never catch them unawares
To go **rolling down the river**

Ch

Well we're the boys, can see her through (hah!)
Rolling up, rolling down
To hell with the cargo and the TEU's
Let's go down the river

Ch x 2 [don't slow at end]
